

1	Distance to employment centers is measured by shortest distance by road
2	On-site, supportive uses include but are not limited to playgrounds, community centers, computer labs, clubhouses, and commercial spaces
3	Universal design is a practice of designing spaces to be useable by the widest range of people possible. It incorporates a large percentage of the requirements for Accessible Design. See http://www.universaldesign.com/about-universal-design.html .
4	For purposes of Louisville CARES, adaptive reuse includes the conversion of a previously non-residential building to affordable housing, or the rehabilitation of residential units that have been uninhabitable for a period of more than 12 consecutive months. It does not include the rehabilitation or upgrade of existing residential units, residential units that have been occupied within 12 months of the date of application or residential units that could have been, but were not, leased during the previous 12 months.
5	Distance to TARC stops is measured by the shortest distance by sidewalks. If no sidewalks are present for all or a part of the distance to the TARC stop, reduce score by 1 point.
6	Services include gas stations, restaurants, banks, clothing retail, hardware stores, auto repair garages, home goods retail, bookstores, coffee shops, bike shops, dry cleaners, medical and dental offices, and grocery stores (defined by North American Industry Classification System (NAICS) code 44511, these include establishments generally known as supermarkets and smaller grocery stores primarily engaged in retailing a general line of food, such as canned and frozen foods; fresh fruits and vegetables; and fresh and prepared meats, fish, and poultry. Included in this industry are delicatessen-type establishments primarily engaged in retailing a general line of food. Convenience stores, with or without gasoline sales, are excluded. Large general merchandise stores that also retail food, such as supercenters and warehouse club stores, are excluded.)
7	Use the most recent Metropolitan Housing Coalition "State of Metropolitan Housing" report to determine percent of subsidized housing as total percentage of Metro Council District housing for purposes of this section.
